

Getting Started Checklist

Follow these steps to begin checking in with students.

Visit along.org and create your account.

As part of your account creation, you will need to:

1. Enter your school leader's email address.
Your school leader will receive [this email](#) from the Along team.
2. Agree to obtain consent for students under 13 from a family member/guardian before using Along with students.
3. Record a welcome question for students.

You can always re-record later if you'd like to use the first one as practice.

Communicate with guardians about Along.

You can find support materials [here](#).

Welcome students to Along.

Visit [Welcoming Students to Along](#) for tips and resources to help you get off to a strong start.

Share your first reflection question with students.

The Along team has created this [Getting Started Calendar](#) with advice on when and how often to share reflections with students.

Review and reply to your students' first reflections.

See how it works in [this article](#).

Check your Students page to see if any students need additional support.

You can read more about the Students page [here](#).

Visit our [Help Center](#) for answers to any questions along the way. You can also email us at support@along.org.
