

# Bring Along to your school.

Checklists are great for tracking progress! Use the one below when you start using Along at your school.

- Decide who will use Along.  
 Will it be all educators and students? Certain grade level(s)? A pilot group?  
*The Along team has created [this resource](#) to help plan your implementation.*
- Pave the way for onboarding.
  1. Familiarize yourself with Along's [terms and policies](#).
  2. Add [Along's domain and emails](#) to your allowlists.
  3. Learn how to [create educator and student accounts](#).
- Introduce Along and onboard your staff.  
*View [this resource](#) and our [customizable slide deck](#) for tips and guidance.*
- Communicate with guardians about Along.  
*You can find support materials for guardian notice or consent [here](#). The Along team has also created [this resource](#) to help you communicate with guardians about what Along is and how it works.*
- Welcome students to Along and celebrate progress together!  
*Make a [customized calendar](#) for your school.*
- Check in with students and educators to offer support, encouragement, and monitor progress.

Visit our [Help Center](#) for answers to any questions along the way. You can also email us at [support@along.org](mailto:support@along.org).
